LA HOP is a request that goes to LAHSA for anyone to use. With permission from the unhoused person, an LA HOP request can be made to connect that person to a case worker to help with services like housing options.

<http://www.cesinaction.org/> Coalition for Economic Survival (CES) is a grassroots multi-racial, multi-ethnic non-profit community based organization dedicated to organizing low and moderate income people to win economic and social justice. CES assists working and low-income people throughout the greater Los Angeles area and surrounding counties in working together to empower themselves to impact the decision making processes that affect their day-to-day lives. Our Homelessness and Housing Chair, Veronica Huerta, also created a quick resource guide of tenant's rights organizations.
